About iEVTech 2019

International Electric Vehicle Technology Conference and Exhibition (iEVTech2019) will be hosted by the Electric Vehicle Association of Thailand (EVAT) together with UBM Asia (Thailand) on 5-8 June 2019 at BITEC, Bangkok, Thailand. The iEVTech 2019 serves as an international platform to share and gather leading experts, researchers as well as our sponsors and exhibitors from around the world to contribute to the development of electrified transport technology toward smart and sustainable transport.
