

**International Electric Vehicle  
Technology Conference and Exhibition**

**8<sup>th</sup> International Electric Vehicle Technology Conference and Exhibition**

**(iEVTech 2023)**

***Shaping the Future of Electric Vehicle Ecosystem***

**30 August - 1 September 2023**

**QSNCC, Bangkok, Thailand**

Organized by

**Electric Vehicle Association of Thailand (EVAT)**

Co-organized by

**Informa Markets - Thailand**

With the aim to help coordinate and promote green transportation in the region, Electric Vehicle Association of Thailand (EVAT) in partnership with Informa Market has the pleasure to give a warm welcome to all speakers and delegates from ASEAN and its partners around the world to the Eighth International Electric Vehicle Technology Conference and Exhibition (iEVTech 2023). The event this year will be held on 30 August – 1 September 2023, QSNCC, Bangkok, Thailand. The conference will be focused on the following topics

- Policy and Trends
- Energy Supply & Storage Systems
- Traction Motor & Drive Systems and Components
- Charging Infrastructure

The organizer hopes that iEVTech 2023 will become an international platform for researchers, designers, developers, policy maker and EV potential users to gather knowledge from leading experts around the world and share ideas and from one another. We hope that such information exchange will contribute to the development of electrified transport technology toward the smart and sustainable transport in ASEAN and the world.
